Phrasal verbs

الأفعال الاصطلاحية

A phrasal verb is a verb that is followed by a preposition. The preposition changes the meaning of the verb.

الفعل الاصطلاحي: عبارة عن فعل يليه حرف جر وحرف الجر يغير معنى الفعل.

She saw the picture in the book. (see = notice with your eyes) هنا "see" بمعنى يرى

She saw off her husband before he traveled. (saw off = said goodbye)

هنا "see off" بمعنى يودع

Look at the phrasal verbs again. When phrasal verbs have an object, this affects the word order.

لاحظ: عندما يكون للفعل الاصطلاحي مفعول فهذا يؤثر على ترتيب الجملة.

عندما يكون المفعول اسماً، يمكن أن يأتي بين الفعل وحرف الجر أو بعد حرف الجر.

e.g. I filled the form in before I left. (the form is the object). الاستمارة هنا مفعول

You can also say: I filled in the form before I left. هنا حرف الجر يتبع الفعل مباشرة

When the object is a pronoun, we follow this word order.

عندما يكون المفعول ضميراً، فيجب أن يأتي بين الفعل وحرف الجر

I filled it in before I left. (it is the object; it is a pronoun)

لاحظ معاني الأفعال الاصطلاحية الآتية:

fill in	complete	يكمل - يملأ (استمارة)
wake up	stop sleeping	يستيقظ
pick up	learn	يتعلم
see off	say goodbye to somebody leaving	يودع
figure out	discover	يكتشف
put away	put something in its place	يضع الشيء في مكانه
drop off	take somebody to a place	يوصل شخصاً إلى مكان
look up	find out something	يبحث عن - يعرف

Present Simple Passive المبني للمجهول في المضارع البسيط

Active المبني للمعلوم

In active sentences, we focus on the **doer** of the action (the person doing the action). في صيغة المبني للمعلوم، نركز على فاعل الحدث.

e.g. We study science at school and university.

Passive المبني للمجهول

In passive sentences, we focus on the **object** (the person/thing receiving the action). في صيغة المبني للمجهول، نركز على المفعول به (سواء كان شخصًا أو شيئًا).

e.g. Astronauts are asked to swim three lengths in their spacesuits.

The doer can be included in the sentence, using by, or it can be left out.

يمكن أن يستخدم الفاعل في نهاية الجملة مع كلمة by أو يمكن حذفه.

e.g. The **food** is heated up (by the astronauts).

e.g. Astronauts' bags are stored on the spaceship.

Affirmative الإثبات

Object (مفعول) + am / is / are + P.P.

e.g. TV is watched by me.

Negative النفي

Object (مفعول) + am / is / are + not + P.P

e.g. Tennis isn't played by me.

Yes/No question السؤال بـ هل

Am / Is / Are + object (مفعول) + P.P ..?

e.g. Are clothes bought by you?

Wh-question السؤال بأداة استفهام

Q.W + am / is / are + object (مفعول) + P.P ..?

e.g. Where is meat bought?

1- Famous navigators

Ahmad Ibn Majid lived hundreds of years ago. He was born in 1432, in what is now Oman. As a child, he was fascinated by the sea, He loved to listen to stories about sailing from his father and grandfather, who were great sailors. They also had their own ships, Ibn Majid was a very intelligent man and studied a lot. He learned languages, and learned about math, geography, and astronomy. As he got older, Ibn Majid became known as a master navigator. Over the years, Ibn Majid wrote 38 books describing what he knew. Some of his books had information about routes to different places, and some described the history of sailing.

2- Omar Hegazy

Omar Hegazy is a very interesting man who is a world-record-holding athlete. At the age of 25, Omar's life was going well, He had a good job as a banker in the Sinai Peninsula, and he was very active, He enjoyed sports, including rock climbing, snorkeling, and keeping fit. One day, he was traveling along the road on his motorbike when he had an accident. The doctors had to remove part of his leg. Omar had to learn to use a crutch, and then a wheelchair.

Omar trained hard, and in 2022, he could swim underwater for a distance of 56.48 meters! Today, Omar Hegazy is a very happy man, and gives talks to inspire others.

3- The life of astronauts

To be an astronaut, you need to work hard. First, you should study science at school and university. After that, you need to do a difficult, two-year astronaut course. In the training course, astronauts are taught how to fix spaceships. They are shown how to give first aid. Astronauts need to be physically strong. On the spaceship, the sleeping bags are attached to a wall so they don't float, Astronauts wash themselves with cleaning wipes because there's no shower or bath. Astronauts run in a special area of the space ship to keep fit.

My name is Waleed Bashir and I'm a sports journalist. I love my job because I love sport! Every morning, I go to the newspaper office and I have meetings with my editor and other journalists. Then we decide which games I need to watch. If it's a football game, I arrive about three hours before the game starts. Journalists from television, radio, and newspapers sit together in a place that's called the press box. We all chat while we get ready. During the game I make a lot of notes. At the end of the game, I watch the interviews with the club managers and players, and I make more notes. I go back to the press box and I start writing my story. I include what the players say, details of the game, and my opinion of the game. I finish the article in the press box and send it to my newspaper office to print. All the articles are sent from the press box to save time.

1- A school sports day

Our school sports day was last Thursday, 13 June . It was awesome! Mr Kamal's class decorated the sports area - it looked great! The older children in school planned all the races . Many girls and boys took part, and there were many different things to see. Lots of people watched the exciting football, volleyball, and basketball games. The races, such as the 100-meter running, long jump, and high jump were popular, too.

2-The life of a journalist

I'm an international journalist, and I live in Egypt, I work for an English newspaper. I really love the English language, so I decided to focus on it at school. After that, I studied journalism at university. I think a journalist needs to be good at two things, Firstly, they need to communicate well to get a good story . Secondly, they have to write well and quickly, using correct spelling and grammar.

I love my job . It's fun, and every day is different because we don't know what news will come in .

3-Animal News

Cheetahs, the fastest animals in the world, have returned to India. They lived in India but then slowly disappeared . However, much later, eight of them were brought to a big park in India , The Indian people are very pleased to have these animals back in their country. The cheetahs now live in a safe area, where they are fed every day. They aren't watched all the time, but they are tracked so they don't get lost, Some people are a little worried . This is because when the cheetahs move around more, they will meet other big cats, for example, leopards.
